WHAT IS THE RISING STARZ STAR SHOW?

The annual star show is a chance for the recreational and preschool gymnasts to show off what they have been working on all year!

WHAT WILL MY CHILD BE DOING IN THE STAR SHOW?

At the start of each session, the kids will do a basic stretching warm-up with their coaches. Then, they will show one routine on each event. To wrap up the show, the coaches and XCEL athletes will put on a special performance for parents and kids to enjoy! Following the performance, your child will be a part of the Star Show award ceremony where they will receive a one-of-a kind Rising Starz Medal!

WHEN IS THE STAR SHOW?

The Super Star Show is the weekend of June 9th & 10th. Star Show session times will be posted by Monday, May 7th. The Star Show sessions are approximately two hours long. All sessions are divided by class and levels.
